ANNEX No 2

Devices are powered from nominal 12V dc supply

Security Grade : 2

Environmental Class : 2

Type : Fixed

EN 50131-2-4:2008 only applies to the Premier Elite DT & CW, all other detectors are compliant with EN 50131-2-2:2008

EN 50130-4 and EN 50130-5 are required within EN 50131 specifications and these conditions have also been met.

Premier Elite DT 10.525GHz	Dual technology motion detector
Premier Elite CW 10.525GHz	Motion detector with Cloak Wise technology
Premier Elite MR	Motion detector with mirrored optics
Premier Elite MR	Long Range Motion detector with long range mirrored optics
Premier Elite IR	Infra red motion detector

This Certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this certificate. Only the Client is authorized to permit copying or distribution of this certificate and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.
